**DISCLAIMER:** Approximately 13,000 EMTs are certified in Arizona. Many EMTs share the same names. The list of disciplinary/enforcement actions should be read carefully for names and certification numbers. The information on this site is believed to be accurate, but is not guaranteed. The State of Arizona and the Arizona Department of Health Services disclaim any liability for any errors or omissions.

**Note:** Based on the implementation of Section 1921 of the Social Security Act, effective March 1, 2010, the Arizona Department of Health Services, Bureau of Emergency Medical Services and Trauma System (Bureau), must also report all certificate holder adverse actions, not just those based on professional competence and conduct, to the National Practitioners Data Bank (NPDB) within 30 days of when the action was taken.
